[*]Pre-Application Informational Meeting: Specific questions not addressed in the Call or the Program's website may be asked during the pre-application virtual meeting(s). All questions related to the research focus/priority, potential new collaborations, obtaining support, and application process may be addressed during the meeting(s). Each meeting includes a presentation about the Program, application and review criteria, and resources plus an open Q&A session. Participation in the pre-application conference calls is encouraged but not required.
