Procedural Steps:

1. Residents and fellows will receive licensing application instructions through the New Innovations Onboarding Checklist. It is the residents'/fellows' responsibility to complete the medical license application requirements in the Onboarding Checklist in a timely manner and to maintain up-to-date licensure throughout Residency/Fellowship.
2. Residents and fellows will receive reimbursement for a portion of an initial limited license application process and each year of training thereafter.
3. Advanced residents/fellows who meet the requirements and choose to apply for a permanently endorsed medical license in this State are required to renew biennially by June 30th of designated year.
4. Residents and fellows cannot conduct patient care if their medical license has not initially cleared or successfully been renewed by June 30th.
5. The GME office, programs and residents/fellows shall monitor the expiration dates entered in New Innovations and reminder emails distribute from New Innovations 30-60-90 days out from the due date to assist with this process.
