

Prisma Health – Upstate U of SC School of Medicine Greenville Pediatric Residency Fast Facts

By the numbers:

13 Categorical Pediatric (**expanding in 2024!**) and **5** Combined Medicine/Pediatrics Residents each year

260 bed pediatric hospital (NICU, PICU, Hem/Onc, Gen Peds, NBN, Peds ER, Surgery and Epilepsy Units)

Training by **100+** dedicated faculty representing **30+** pediatric medical and surgical specialties

50:50 Balance of Inpatient and Outpatient Rotation Experience

Outpatient clinic served the largest Medicaid population in the state and sees **>50,000** visits annually

Since 2007, **98%** of our graduates passed the American Board of Pediatrics exam on their first attempt

Alumni career paths: **30%** Subspecialty/Fellowship, **20%** Academic Medicine, **50%** Private Practice

100% of residents applying to fellowships in the past 15 years have matched in their chosen subspecialty

Things you can't quantify:

- * **First name basis** and direct interaction with faculty help interns grow into colleagues
- * Create a truly **individualized curriculum** since electives are not “resident dependent”
- * Monthly forum for **residents to give feedback** so the program has **continuous improvement**
- * Our upper levels are the **senior in-house physician** and **first provider** for procedures, diagnosis, and treatment
- * **Integrated wellness activities** on a weekly, monthly, and yearly basis
- * Institution and program level commitment to **Diversity and Inclusion initiatives**
- * **Faculty Mentorship** that goes beyond career paths and supports you as a person
- * Our faculty are experienced in **global health, medical education, advocacy, and clinical research** to round out your educational experience

If you've never been to Greenville:

Greenville SC is a young, affordable, growing city with easy access to entertainment, outdoor activities, and travel that makes it a fantastic place to call home during residency and beyond.
