TROUBLESHOOTING TIPS

- **What email should I use?**
 - If your Academic Institution issues email addresses, please use the one they gave you. This is a more secure email server than Google, Yahoo, Hotmail, etc. If your Academic Institution did not provide you an email address, a Google, Yahoo, Hotmail, etc. email address is acceptable.
- **Why haven't I received my validation code?**
 - It can take up to 15 minutes for the validation code to be sent to your email. If you've waited 15 minutes, please check your junk folder, Spam folder, or Clutter Box. The e-mail will be from do-not-reply@myclinicalexchange.com. Please mark e-mails from the domain "myclinicalexchange.com" as a "Safe Sender" so that future correspondence comes immediately to your inbox. If you still have not received the email, verify the email you entered is correct.
- **Why isn't Internet Explorer loading this website?**
 - Are you are using Internet Explorer, v8 or lower? If so, you will either need to update Internet Explorer to v9 or higher. Alternatively, try again in Chrome, Safari or Firefox.
- **Why do I have to create Security Questions?**
 - When you create your security questions you make recovering your password much easier in the event you forget your password.
- **What do I do if I forget my login I.D.?**
 - Please reach out to your University Coordinator for this information.
- **I forgot my password. How do I login?**
 - To retrieve your password, please navigate to the mCE website.
 - Click the **Student** button
 - Click **Forgot Password**
 - Enter your email address and the Security Code
 - Click **Email Password**
 - Please check your inbox for an e-mail from do-not-reply@myclinicalexchange.com assigning you a password.
- **I paid for myClinicalExchange on my own and now I see that Prisma is supposed to cover my registration fee. How do I get a refund?**
 - Please email support@myclinicalexchange.com with the name and email address you used to register for your account along with a copy of your PayPal receipt.

If you experience issues, you can e-mail support@myclinicalexchange.com. Please provide your name, the University you attend, and a brief description of the issue you are experiencing.
