

Prisma Health – Upstate University of South Carolina SOM Greenville Pediatric Residency Fast Facts

By the numbers:

- 11** Categorical Pediatric and **5** Combined Medicine/Pediatrics Residents each year
- 260** bed pediatric hospital (NICU, PICU, Hem/Onc, Gen Peds, NBN, Peds ER, Surgery and Epilepsy Units)
- Training by **100+** dedicated faculty representing **30+** pediatric medical and surgical specialties
- 50:50** Balance of Inpatient and Outpatient Rotation Experience
- Outpatient clinic serves the largest Medicaid population in the state and sees **>50,000** visits annually
- 98%** of our graduates passed the American Board of Pediatrics exam on their first attempt
- Alumni career paths: **30%** Subspecialty/Fellowship, **20%** Academic Medicine, **50%** Private Practice
- 100%** of residents applying to fellowships in the past 15 years have matched in their chosen subspecialty

Things you can't quantify:

- * **First name basis** and direct interaction with faculty help interns grow into colleagues
- * Create a truly **individualized curriculum** since electives are not “resident dependent”
- * Monthly forum for **residents to give feedback** so the program has **continuous improvement**
- * Upper levels are the **senior in-house physician** and **first provider** for procedures, diagnosis, and treatment
- * **Integrated wellness activities** on a weekly, monthly, and yearly basis
- * Institution and program level commitment to **Diversity and Inclusion initiatives**
- * **Faculty Mentorship** that goes beyond career paths and supports you as a person
- * Faculty experienced in **global health, medical education, advocacy, and clinical research** to round out your educational experience

If you've never been to Greenville:

Greenville SC is a young, affordable, growing city with easy access to entertainment, outdoor activities, and travel that makes it a fantastic place to call home during residency and beyond. Check out [#yeah, that Greenville](#) which includes a link to an online [Visitor's Guide](#).
